

2017 Raber Cabin Shingle Replacement Project  
Grand Mesa, Uncompahgre and Gunnison National Forest

The GMUG Grand Valley Ranger District is looking for volunteers to replace shingles on one of our historic Raber Cabins located along the Lands End Road on the Grand Mesa. Russ Barr has volunteered to lead the effort with FS archaeologist Catie Freels. The dates are yet to be determined, but will be in the middle to end of September. If you are interested in helping us replace cedar shingles on one of the cabins, please fill out the form below and indicate your days available and experience in roofing. Send the form back to Catie Freels at [cadaquila@fs.fed.us](mailto:cadaquila@fs.fed.us) or 2777 Crossroads Blvd. Unit 1, Grand Junction, CO 81506 by August 26th, 2017. Please contact Catie at the email above or 970-263-5815 x4115 with any questions.
